The Organization of Chinese Americans, Inc. (OCA) is a non-profit, nonpartisan national advocacy and education organization. It aims to secure our inherent rights and to generate and carry out action programs of particular interest to Chinese and other Asian Americans. Our chapter was established in 1978 and has accomplished much, but has been working under insufficient manpower and limited resources. We hope that you can be an active member and with your help, we will become more influential and more effective. For more information, please check our website at: www.oca-cvc.org. Thank you.
